

# THE COVID-19 VACCINE IS AS ESSENTIAL AS YOU ARE.

## *Protect Yourself With A COVID-19 Vaccine*

You know by now that wearing a mask, washing your hands and social distancing help prevent the spread of COVID-19. But, you may not realize that getting the COVID-19 vaccine is the single most important thing you can do to protect yourself from the virus. Studies show that COVID-19 vaccines are not only very effective at keeping you from getting COVID-19, but they also may lessen your symptoms in the rare event you do get it.

## *Don't Worry, COVID-19 Vaccines Are Safe*

Vaccines are not a new concept. Many of us have been vaccinated against several diseases throughout all stages of our lives. The COVID-19 vaccines that are being used have gone through the same safety tests and meet the same standards as any other vaccines produced through the years.

## *Schedule Your Appointment*

Snap either of the QR Codes below to make a vaccine appointment at either Walmart OR Sam's Club.

**Walmart** 

*Snap this code for a Walmart appointment.*

**sam's club** 

*Snap this code for a Sam's Club appointment.*

## *Get Your No-Cost COVID-19 Vaccine*

Once you've scheduled your appointment, use the voucher from the next page to receive your FREE COVID-19 Vaccine from either Walmart or Sam's Club Pharmacy. Vouchers are for ALL KANE Associates at ALL locations. **Regardless of whether or not you have health insurance, the COVID-19 vaccine is free with this voucher!**

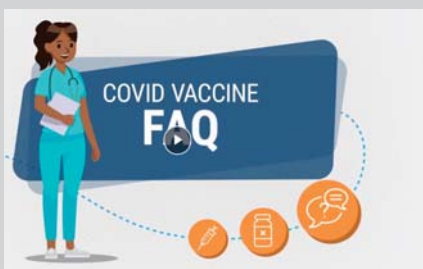

## *You May Experience Some Side Effects*

Vaccines may cause side effects in some people, like sore muscles, feeling tired, or mild fever. Side effects will usually last no longer than a day or two. Having these types of side effects means the vaccine is working; it does NOT mean that you have COVID-19.

## *What To Do After Your Vaccine*

Once you receive your vaccine, you'll want to do a few things. First, if you receive a vaccine that requires a second dose, you must get it - don't forget your second appointment. Next, self-report your vaccination to [www.healthadvocate.com/kaneisable](http://www.healthadvocate.com/kaneisable) to receive credit toward the wellness program and your 3 hours of sick time. Last, remember to continue to wear a mask and social distance to protect others.
